CMSA DA(SA) – SS 2023

Dear Candidates

Please note the below:

The Diploma in Anaesthesia exam was forced to change to an online written OSCE for the duration of the Covid-19 lockdown. This was a temporary measure to avoid having to cancel the exam during this period. We are now preparing to return to a decentralized, in-person, assessment of current competency (AOCC) from SS 2023.

As of Second Semester 2023, all online written OSCE will be replaced with an Assessment of Current Competency, details of which will be published soon.
